

CURRENT **ONLINE** COURSE OFFERINGS

- Internet Safety for Schools in the Digital Era
- Data-Driven Decision Making Using Objective Measures to Improve Student Learning

These courses will offer participants the opportunity to learn from facilitators who are experienced in the challenges of education and improving student achievement. In addition, knowledge and skills from the cohort group will enhance the learning experience.

Courses begin on June 2 and run through July 21, 2010.

Participants can receive CEU's and graduate credits.

Session Fee: Member: \$199 Nonmembers: \$249
